### Bandana Peace Foundation

Bandhana Peace Foundation | Baghpat, Uttar Pradesh | June 2023 - July 2023

During my two-month internship at the Bandhana Peace Foundation, I actively participated in fieldwork initiatives in rural communities. My responsibilities included designing and implementing surveys to assess the needs and challenges faced by local residents. To ensure accurate and culturally appropriate data collection, I fostered strong relationships with villagers and collaborated closely with community leaders. I contributed to data entry and analysis, identifying key trends that informed the foundation's strategic planning and program development.
